Dear Noble:-

On December 28th., you were made a member of Aleppo Temple. You received the degree by communication - in short form. On Thursday, March 2nd. we shall hold our next meeting at Mechanics Building - the work all being put on in full form and in order that you may enjoy the evening and at the same time see what you missed - you should find some eligible - get his name on the enclosed application and forward to me.

By doing this, you will have the satisfaction of knowing you have done a good deed and started the year right and in due course will receive acknowledgment of same.

Remember the date - March 2nd. Come with your fez and a smile.

Yours in the faith,
